

YOUTH PICKLEBALL ALLIANCE, INC.

GRANT APPLICATION

Introduction:

Youth Pickleball Alliance, Inc. (YPA) is a nonprofit 501(c)(3) organization dedicated to promoting the benefit and values of pickleball for our youth. YPA raises funds that are distributed through grants of cash and/or equipment to nonprofits, governmental entities and other organizations that sponsor youth pickleball activities such as camps, clinics, individual instruction and open play sessions. Funds YPA provides may be used to purchase equipment (i.e. paddles, nets, balls), pay coaches, instructors and other necessary personnel, provide scholarships, pay for court time and provide other pickleball related services. Grants will range in amounts up to five thousand dollars.

The Decision Process:

After receipt of your application, YPA will review the same and advise you of our decision, usually within a month. YPA may request more information from you for our analysis.

Since YPA is located in South Florida, priority will generally be given to applications from this area, however, applications for other locations will be considered.

Among other factors YPA considers are the number and age of anticipated participants, whether your application provides for financially challenged and special needs youth, and the amount and quality of instruction and services being provided. In considering your application, YPA does not discriminate based upon race, gender, LGBTQ status or ethnicity. If your application is approved, you will be required to provide YPA with a final report, including photos, describing the outcome of your program and permission for YPA to use your information and photos for marketing, fund raising and on our website.
